

**PUBLIC NOTICE**  
**YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA**

The Arizona Department of Environmental Quality (ADEQ) has received a complete Class I permit application for Air Quality Control Permit Number 42649, which was submitted by Premier Industries, Inc., 1019 Pacific Ave., Tacoma, WA 98402, for a proposed Manufacturing/Industrial Facility to be located at 9775 Shipping Lane in Kingman, Mohave County, Arizona. The proposed facility will produce expanded polystyrene blocks, boards and shapes for use in the construction and building materials industry. The permit application proposes to limit emissions of the following types of air contaminants: volatile organic compounds (VOC), nitrogen oxides, carbon monoxide, particulate matter, and sulfur oxides.

The permit application is available for your review at ADEQ's office at 1110 West Washington Street, Phoenix, Arizona. Comments and/or requests for a public hearing should be directed to:

Director, Air Quality Division, ADEQ  
1110 W. Washington Street  
Phoenix, Arizona 85007

If you would like to receive copies of future Public Notices of Air Pollution Control Permits, please provide a typewritten or printed copy of your name, address, and ZIP code, to the Director of Air Quality Division at ADEQ's address shown above. Your request should also state that you wish your name to be placed on the Air Quality Permit mailing list.

If you have any questions or would like to find out more information about this permit application, please contact Trevor Baggione at (602) 771-2321 or at ADEQ's address shown above.
